## VERATO ROOFING COMMERCIAL ROOF WORK, RESTORATION & COATINGS CLIENT REFERENCES, Selected Representative Works

**We are pleased to provide you with the following references that can testify to our good quality work.**

### **1. Safe Harbor Sportsman formerly Sportsman Marina (2018,2020, current roofing maintenance)**

27844 Canal Rd, Orange Beach, AL 36561

We started with a 34,000 sq-ft coating and a 12,000 sq-ft roof restoration and patching and most recently in 2020 we replaced 24 skylights on their tallest building.

**Contact:** Brian Wells was the Manager at Sportsman Marina for most of the work that we did. He is now retired but his cell number is: 251-978-8908. The manager as of the last work we did for the marina during the skylight replacement was Bryan Walden Cell: 251-620-8049, Email: [bwalden@shmarinas.com](mailto:bwalden@shmarinas.com)

The Marina is under new management as of 2021 current phone number is: (251) 981-6247

The links below contain some pictures and video before and after from some of those jobs:

After New Skylights: <https://photos.app.goo.gl/ck9dtmMhrrMhmYbAA>

### **2. Merrill Parker Shaw (2020)**

This was a 4,200 sq-ft Ecodur Castagra Flat Roof Coating. Then after the storm damaged their roof we repaired the structural damage and bonded the seams with the roof using Castagra.

4,200 sq-ft Ecodur Castagra Flat Roof Coating

Merrill Parker Shaw, 4928 N Davis Hwy Pensacola, FL

**Contact:** You can speak with Andy Starky: 850-393-5279

a. Here are some pictures and videos of coating work we did for them:

Before: <https://photos.app.goo.gl/8CJ45m6wvShrjR6MA>

After: <https://photos.app.goo.gl/HW1zNTjffHgrsB5B6>

b. After hurricane Sandy we re-pared the structure of their roof which was damaged badly by the storm:
